

# WARRANTY

Mother Hubbard's Kitchens warrants its cabinetry against defects in materials and workmanship for a period of **Five Years** under residential usage.

Solid Surface Counter tops carry the warranty described as per manufacturer. There is no warranty on Laminate Counter Tops.

The warranty is non transferable and is subject to the conditions and limitations set out below.

## **Conditions and limitations**

### **Color Variation in Wood Products**

Wood is the material of choice for cabinetry because of the rich character of its grain and color tone variations. The same wood species has different characteristics depending on where it comes from and the different minerals present in the ground while the tree grows. While we do our best to coordinate each wood component in your kitchen, the variance in the natural color and grain means that each piece (e.g. style, rail, panels, and molding) will respond differently to the finishing material used. This is the beauty and nature of wood and is not considered a defect.

This warranty does not cover the natural aging or darkening of wood. This will occur over time when exposed to light. Mother Hubbard's Kitchens has no control over these factors and therefore does not warrant such changes in appearance.

### **Painted Products**

Because wood is a natural product and is easily affected by moisture, Mother Hubbard's Kitchens is unable to warranty the hairline cracking that may appear in the joins of a painted wood product. This hairline is due to the natural cycle of movement caused by high moisture in the summer and dryness in the winter.

**Mother Hubbard's Kitchens'** obligation under this warranty shall be limited to the repair, or at our option, the replacement of manufacturing defects, within the warranty period.

This warranty requires the purchaser to exercise normal cabinet care. This warranty does not cover normal wear and tear or damages caused by misuse, abuse, negligence, accident, alteration or tampering. This warranty does not cover damage caused by, but not limited to, fire, excess heat or cold, flood or any other factors or facts of nature beyond the control of Mother Hubbard's Kitchens.

This Limited Warranty is in lieu of all other warranties expressed or implied.
